

A woman with blue eyes and red lips is the central focus. Her hair is composed of numerous bright red chili peppers. She has her hand near her mouth, with red-painted fingernails. The background is a warm orange-red gradient. In the foreground, there are large, dynamic splashes of blue, green, and red paint. The overall aesthetic is vibrant and artistic.

THE PRINT OWNER'S MAGAZINE OF
INDUSTRY NEWS & UPDATES

**The
imagePRESS C10000VP
Digital Color Press Series**

*Setting Standards for
Speed, Reliability, and
High-Quality Output*

**imagePRESS
C10000VP**

The imagePRESS C10000VP Digital Color Press Series is designed to provide “no compromise” printing. You can deliver outstanding customer output while also benefitting from impressive productivity and reliability. The imagePRESS C10000VP Digital Color Press Series is designed to deliver the quality you demand at speeds that will delight. It features intuitive operation and can help maximize uptime with automated calibration.

The imagePRESS C10000VP Series achieves offset-like quality through advanced features like Canon’s proven Gloss Optimization technology. As for productivity, it kicks out up to 100 ppm* regardless of the media weight (up to 400 gsm**). The result? You can help exceed your customers’ expectations.

Find out more about the imagePRESS C10000VP Digital Color Press Series at print.usa.canon.com.
